ABOUT

My name is Urmila Tikare and I live in Navi Mumbai. I have over 20 years of experience in the beauty, bridal makeup, and hair industry. For the past 12 years, I have been successfully running my own salon business and beauty training classes. Through this career, I have experienced immense success and happiness in my life.

Now, I want to share this knowledge and create the same career opportunities for others as well. That is why I have started these courses and this beauty platform. My wish is that everyone who has an interest in this field should come forward, learn, and achieve great success in their life.
